Under usual circumstances scholarships are granted for approximately 50% of tuition. Aid is determined by availability of funds. Preference is given to potential and practicing teachers, leaders, and musicians.

CCDS Work Scholarships are funded in part by the CCDS Scholarship Fund. All scholarship recipients are expected to aid in the running of the school by helping with various jobs that need to be done before, during, and at the end of the week. Most require 12 hours of work during the week. All scholarship recipients are expected to help with clean up on January 1.
